INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Council
City of El Reno, Oklahoma

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of El Reno, Oklahoma, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of El Reno, Oklahoma, as of June 30, 2013, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 7-16 and 60-61 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of El Reno, Oklahoma's basic financial statements. The combining and individual nonmajor fund financial statements, combining general fund accounts financial statements, combining enterprise fund accounts financial statements, combining internal service fund financial statements and the schedule of expenditures of federal and state awards and related footnotes are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements, combining general fund accounts financial statements, combining enterprise fund accounts financial statements, combining internal service fund financial statements and the schedule of expenditures of federal and state awards and related footnotes are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, combining and individual nonmajor fund financial statements, combining general fund accounts financial statements, combining enterprise fund accounts financial statements, combining internal service fund financial statements and the schedule of expenditures of federal and state awards and related footnotes are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 14, 2014, on our consideration of the City of El Reno, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City of El Reno, Oklahoma's internal control over financial reporting and compliance.

MANAGEMENT DISCUSSION AND ANALYSIS

**CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

Our discussion and analysis of the City of El Reno's financial performance provides an overview of the City's financial activities for the fiscal year ended June 30, 2013. Please read it in conjunction with the City's financial statements, which follow this section.

FINANCIAL HIGHLIGHTS

- For the fiscal year ended June 30, 2013, the City's total net position increased by \$2.9 million or 7.5% from the prior year.
- During the year, the City's expenses for governmental activities were \$13.9 million and were funded by program revenues of \$1.9 million and further funded with taxes and other general revenues and transfers that totaled \$8.3 million.
- In the City's business-type activities, such as utilities, hospital, airport, and golf program revenues excluding transfers exceeded expenditures by \$1,317,839.
- Sales and use taxes decreased by approximately \$395,000 or 3.6% under the prior fiscal year. This translates into a decrease in taxable sales of \$9.9 million from the prior year.
- At June 30, 2013, the General Fund reported an unassigned, fund balance of \$2.1 million, which is a decrease of 9% from the prior year.
- For budgetary reporting purposes, the General Fund reported revenues under estimates of \$1,486,583 or 11%, while expenditures were under the final appropriations by approximately \$2,462,219 or 16%.

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements presented herein include all of the activities of the City of El Reno (the "City") and its component units using the integrated approach as prescribed by GASB Statements No. 14, 34, and 39 and 61. Included in this report are governmental-wide statements for each of two categories of activities – governmental and business-type, along with one discretely-presented component unit. The government-wide financial statements present the complete financial picture of the City from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities and business type activities separately and combined. These statements include all assets of the City (including infrastructure capital assets and deferred outflows) as well as all liabilities (including all long-term debt and deferred inflows).

About the City

The City of El Reno is a municipality with a population of approximately 16,749 located in central Oklahoma. The City is a Council-Manager form of government that provides for three branches of government:

- Legislative – the City Council is the governing body elected by the citizens
- Executive – the City Manager is the Chief Executive Officer and is appointed by the City Council
- Judicial – the Municipal Judge is a practicing attorney appointed by the City Manager

The City provides typical municipal services such as public safety, street maintenance, culture, parks and recreation, airport, and certain utility services including water, wastewater, and sanitation.

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

The City's Financial Reporting Entity

This annual report includes all activities for which the City of El Reno City Council is fiscally responsible. These activities, defined as the City's financial reporting entity, are operated within separate legal entities that make up the primary government.

The City's financial reporting entity includes the primary government (City of El Reno), four blended component units and one discretely presented component unit as follows:

- **The City of El Reno** – that operates the public safety, streets, culture, parks and recreation, and administrative activities
- **The El Reno Municipal Trust Authority** – that operates the water, sewer, and sanitation services of the City (blended component unit)
- **The City of El Reno Hospital Authority** – that operates the hospital which serves the citizens of El Reno and the surrounding communities (blended component unit)
- **The El Reno Airpark Authority** – that operates the local non-commercial airport activities (blended component unit)
- **The El Reno Recreation Authority** – that was established to construct and operate the municipal golf course (blended component unit)
- **The El Reno Economic Development Authority** – that promotes and subsidizes efforts to create economic development within the City (discretely presented component unit).

Using This Annual Report

This annual report is presented in a format that substantially meets the presentation requirements of the Governmental Accounting Standards Board (GASB) in accordance with generally accepted accounting principles. The presentation includes financial statements that communicate the City's financial condition and changes therein on the accrual basis of accounting at two distinct levels:

- **The City as a Whole** (a government-wide presentation)
- **The City's Funds** (a presentation of the City's major and aggregate non-major funds)

Reporting the City as a Whole

The Statement of Net Position and the Statement of Activities

One of the most frequently asked questions about the City's finances is, "Has the City's overall financial condition improved, declined or remained steady over the past year?" The Statement of Net Position and the Statement of Activities report information about the City as a whole and about its activities in a way that helps answer this question. These statements include all assets, deferred outflows, liabilities and deferred inflows using the accrual basis of accounting. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

(Unaudited. See accompanying auditor's report.)

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

These two government-wide statements report the City's net position and changes in it from the prior year. You can think of the City's net position – the difference between assets, deferred outflows, liabilities and deferred inflows – as one way to measure the City's financial condition, or position. Over time, increases or decreases in the City's net position are one indicator of whether its financial health is improving, deteriorating, or remaining steady. However, you must consider other nonfinancial factors, such as changes in the City's tax base, the condition of the City's roads, and the quality of services to assess the overall health and performance of the City.

As mentioned above, in the Statement of Net Position and the Statement of Activities, we divide the City into three kinds of activities:

- **Governmental activities** – Most of the City's basic services are reported here, including the police, fire, general administration, streets, and parks. Sales taxes, franchise fees, fines, and state and federal grants finance most of these activities.
- **Business-type activities** – The City charges a fee to customers to help cover all or most of the cost of certain services it provides. The City's water, wastewater, sanitation, hospital, airpark and recreation activities are reported here.
- **Discretely-presented component unit** – This accounts for activities of the City's reporting entity that does not meet the criteria for blending, specifically the El Reno Economic Development Authority.

Reporting the City's Most Significant Funds - Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds – not the City as a whole. Some funds are required to be established by State law and by bond covenants. However, management establishes many other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants and other money.

Governmental funds – Most of the City's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic service it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs. The differences of results in the Governmental Fund financial statements to those in the Government-Wide financial statements are explained in a reconciliation following each Governmental Fund financial statement.

Proprietary funds – When the City charges customers for the services it provides – whether to outside customers or to other units of the City – these services are generally reported in proprietary funds. Proprietary funds are reported in the same way that all activities are reported in the Statement of Net Position, the Statement of Revenues, Expenses and Changes in Fund Net Position and Statement of Cash Flows. In fact, the City's enterprise funds are essentially the same as the business-type activities we report in the government-wide statements but provide more detail and additional information, such as cash flows.

(Unaudited. See accompanying auditor's report.)

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

Fiduciary funds – When the City is responsible for assets that – because of a trust arrangement or other fiduciary requirement – can be used only for trust beneficiaries or others parties, these activities are reported as fiduciary funds, such as the Employee Retirement Trust Fund. The City is responsible for ensuring that the assets reported in these funds are used for their intended purpose. All of the City’s fiduciary activities are reported in a separate statement of fiduciary net position and a statement of changes in fiduciary net position. We exclude these activities from the City’s government-wide financial statements because the City cannot use these assets to finance operations.

A FINANCIAL ANALYSIS OF THE CITY AS A WHOLE

Net Position

As noted earlier, net position may serve over time as a useful indicator of a government’s financial position. In the case of the primary government, assets and deferred outflows exceeded liabilities and deferred inflows by \$41 million at the close of the most recent fiscal year.

The largest portion of the City’s net position reflects its net investment in capital assets (e.g., land, buildings, machinery, and equipment). For 2013, this net investment in capital assets amounted to \$30.5 million. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City’s investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

At the end of the current fiscal year, the City is able to report positive balances in all categories of net position: for the government as a whole, the governmental activities and the business-type activities.

(Unaudited. See accompanying auditor’s report.)

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

The decrease in governmental activities current assets of approximately \$5 million or 39% is due to the decrease in cash and cash equivalents in the 2011 Sales Tax Revenue cash account of approximately \$4.1 million or 92%. These funds were spent on waterline and street improvements in accordance with the purpose of the revenue bond.

The decrease in business-type activities current assets of approximately \$1.6 million or 19% is primarily due to the decrease in cash and cash equivalents in the 2001 Bond Revenue Fund cash account of approximately \$1.1 million or 100%. These funds went to pay off the 2001 revenue bond debt.

The decrease in business-type activities current liabilities of approximately \$1.2 million or 26% is due to paying off the 2001 Sales Tax Bonds of \$1,115,000 and the 2002 Sales Tax Revenue Bonds of \$605,000.

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

The increase in miscellaneous revenue for governmental activities of approximately \$1.3 million or 370% is due to insurance reimbursements related to the 5/31/13 tornado of approximately \$913,908, an increase in royalties of approximately \$185,000 for a producing well, and an increase in other reimbursements of approximately \$100,000 due to the receipt of \$75,000 from the County for road repairs. The increase in capital grants and contributions for business-type activities is due to reimbursements from companies of approximately \$704,000 for their share of sewer improvements.

The significant change in transfers and net position in both business-type and governmental activities is a result of the 2011 bond issue which was transferred to the 2011 STRN Fund from the ERMA in the amount of \$5.1 million in FY 2012. The City also transferred capital assets of \$2,444,428 from governmental activities to business-type activities in FY 2013 in order to properly classify the assets by function.

The increase in public safety expense of approximately \$1,061,000 or 18% is due to construction costs associated with the new public safety offices. The decrease in hospital expense is due to a prior year recording of claims liabilities in the amount of \$312,982 for two litigation cases pending in FY 2012. See Note 13 to the financial statements for more detail information on these cases.

Governmental Activities

To aid in the understanding of the Statement of Activities some additional explanation is given. Of particular interest is the format that is significantly different than a typical Statement of Revenues, Expenses, and Changes in Fund Balance. You will notice that expenses are listed in the first column with revenues from that particular program reported to the right. The result is a Net (Expense)/Revenue. The reason for this kind of format is to highlight the relative financial burden of each of the functions on the City's taxpayers. It also identifies how much each function draws from the general revenues or if it is self-financing through fees and grants or contributions. All other governmental revenues are reported as general. It is important to note all taxes are classified as general revenue even if restricted for a specific purpose.

In reviewing the business-type activities net (expense)/revenue, the following highlights should be noted:

- Total business-type activities reported net (expense)/revenue of \$1,317,839 for the year ended June 30, 2013.
- Water, wastewater, Sanitation and Hospital activities reported net revenue for the year ended June 30, 2013 and the Golf, and Airport reported net expense.

A FINANCIAL ANALYSIS OF THE CITY'S FUNDS

As the City completed its 2013 fiscal year, the governmental funds reported a combined fund balance of \$6 million or a 49% decrease from the prior year. The enterprise funds reported combined net position of \$283,230 or a 105% increase from 2012.

Other fund highlights include:

- For the year ended June 30, 2013, the 2011 Series STRN Bond Fund total fund balance decreased by \$3.9 million or 92% due to the decrease in cash and the increase in expenditures for the 2011 bond series capital projects.

General Fund Budgetary Highlights

Over the course of the year, the City Council revised the General Fund budget various times. The revised budget included a decrease in overall revenue projections of 2% or \$272,660 and an increase in appropriations of 1% or \$164,954. Actual revenues were under estimates by \$1,486,583 or 11%, while expenditures were under final appropriations by \$2,462,219 or 16%.

Governmental Funds to the Statement of Activities
For the Year Ended June 30, 2013

Changes in Fund Balance - Changes in Net Position Reconciliation: **\$ (5,926,546)**

Amounts reported for Governmental Activities in the Statement of Activities are different because:

Governmental funds report outlays for capital assets as expenditures while governmental activities report depreciation and amortization expense to allocate those expenditures over the life of the assets:

Capital asset purchases capitalized	5,766,311
Capital assets transferred to Enterprise Fund	(2,444,428)
Book value of disposed capital assets	(453)
Depreciation expense	<u>(1,990,738)</u>
	<u>1,330,692</u>

Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds:

Deferred revenue	847,587
------------------	---------

Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position:

Principal payment on capital lease obligation	118,478
Proceeds of capital leases	<u>118,478</u>

Some expenses reported in the Statement of Activities do not require the use of current financial resources and these are not reported as expenditures in governmental funds:

Change in accrued interest payable	1,008
Change in accrued compensated absences	<u>(98,563)</u>
	<u>(97,555)</u>

Internal service fund activity is reported as a proprietary fund in the fund financial statements, but certain net revenues are reported in governmental activities on the Statement of Activities

Change in net position for internal service funds	40,177

FOOTNOTES TO THE BASIC FINANCIAL STATEMENTS

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

Footnotes to the Basic Financial Statements:

1. Financial Reporting Entity

The City's financial reporting entity includes the primary government (City of El Reno), four blended component units, and one discretely presented component unit as noted below. This annual report includes all activities for which the City of El Reno City Council/Manager is fiscally responsible.

In determining the financial reporting entity, the City complies with the provisions of Governmental Accounting Standards Board Statement No. 14, "The Financial Reporting Entity", as amended by Statement 61 and includes all component units for which the City is financially accountable.

The City of El Reno – that provides the public safety, health and welfare, streets and highways, parks and recreation, and administrative activities.

The City of El Reno has a population of approximately 16,749 located in central Oklahoma. The City is a Council/Manager form of government that provides for three branches of government:

- **Legislative** – the City Council is the governing body elected by the citizens
- **Executive** – the City Manager is the Chief Executive Officer and is appointed by the City Council
- **Judicial** – the Municipal Judge is a practicing attorney appointed by the City Manager

The City provides typical municipal services such as public safety, street maintenance, culture, parks and recreation, airport, and certain utility services including water, wastewater, and sanitation.

Blended Component Units:

The El Reno Municipal Trust Authority – that operates the water, sewer, and sanitation services of the City – City Council serves as Authority trustees.

The City of El Reno Hospital Authority – that operates the hospital which serves the citizens of El Reno and the surrounding communities. City Council serves as Authority trustees.

The El Reno Airpark Authority – that operates the local non-commercial airport activities. City Council serves as Authority trustees.

The El Reno Recreation Authority – that was established to construct and operate the municipal golf course. City Council serves as Authority trustees.

Discretely Presented Component Unit:

The El Reno Economic Development Authority – that promotes and subsidizes efforts to create economic development within the City. City Council appoints trustees.

Each of these component units are Public Trusts established pursuant to Title 60 of Oklahoma State law. Public Trusts (Authorities) have no taxing power. The Authorities are generally created to finance City services through issuance of revenue bonds or other non-general obligation debt and to enable the City Council to delegate certain functions to the governing body (Trustees) of the Authority. The Authorities

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

generally retain title to assets which are acquired or constructed with Authority debt or other Authority generated resources. In addition, the City has leased certain existing assets at the creation for the Authorities to the Trustees on a long-term basis. The City, as beneficiary of the Public Trusts, receives title to any residual assets when a Public Trust is dissolved.

2. Basis of Presentation and Accounting

Government-Wide Financial Statements:

The statements of net position and activities are reported on the accrual basis of accounting and economic resources measurement focus. Under the accrual basis of accounting, revenues are recognized when earned and expenses (including depreciation and amortization) are recorded when the liability is incurred or economic asset used.

Program revenues in the Statement of Activities, are revenues that are derived directly from each activity or from parties outside of the City's taxpayers. The City has the following program revenues in each activity:

- Public Safety – Fire, Police, Ambulance – fines and forfeitures, restricted operating grants, and restricted capital grants
- Streets – Commercial vehicle and gasoline excise tax shared by the State and other restricted operating grants.
- Culture, parks, and recreation – cemetery revenues, pool fees, operating and capital grants
- General Government – license and permits, plat and abatement fees, demolition fees, and restricted operating grants
- Water – water service charges
- Wastewater – wastewater service charges
- Sanitation – sanitation service charges
- Golf – golf course fees, restaurant services fees
- Airport – hangar rental income, fuel sales, and royalties
- Hospital – rental income

All other governmental revenues are reported as general. All taxes are classified as general revenue even if restricted for a specific purpose.

The funds of the financial reporting entity are described below.

Governmental Funds:

The City's governmental funds include:

Major Funds:

- General Fund – accounts for all activities not accounted for in other special-purpose funds. For financial statement reporting purposes the General Fund contains the following combining accounts:
 - Gift and Contribution Account (previously Park Improvement Account)
 - Sales Tax ¼ cent Account
 - Lake Account

**CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013**

- NWCC Repair and Maintenance Account
 - Cemetery Everlasting Care Account
 - Sales Tax Reserve Account
- 2011 Sales Tax Revenue Note Fund (reported as a capital project fund) – accounts for 2011 Sales Tax Revenue Note Construction.

Aggregated Non-Major Funds (reported as Other Governmental Funds):

Special Revenue Funds:

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

- Police Fund (Previously 911 Emergency Fund) – accounts for the following restricted revenues for public safety: 911 admin fee, police forfeitures, juvenile fee, drug and alcohol fees, impound fee, and any miscellaneous restricted fees.
- CDGB Fund – accounts for CDGB grant activity.
- Hotel Motel Occupancy Surcharge Fund – accounts for the Hotel/Motel tax collections and related expenditures; this was removed from the General Fund after the January 2008 election which restricts these funds to 40% for tourism and 60% for capital.
- Safety Sales Tax ¼ Cent Fund – accounts for the New Public Safety Sales Tax which was approved by voters in January 2008.
- Tax Increment Fund – accounts for revenues received from the two new Tax Increment Fund Districts.

Debt Service Fund:

- Sinking Fund – accounts for ad-valorem taxes levied by the City for use in retiring court-assessed judgments and their related interest expenses.

Capital Project Funds:

- Drainage Improvement Fund – accounts for revenues and expenses for the purpose of creating and/or improving drainage basins.
- Capital Improvement Fund – accounts for an increase in Municipal Court fines. Funds are to be used for capital improvements in general.
- Infrastructure Fund - accounts for various construction projects funded through interfund transfers.
- Cemetery Care Fund – accounts for cemetery fees restricted for cemetery care

Permanent Funds:

- Library Endowment Fund – accounts for funds which are restricted for library purposes.
- Cemetery Perpetual Care Fund – accounts for funds restricted for the maintenance or improvement of graves, lots, or perpetual care of the cemetery.

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

The governmental funds are reported on the modified accrual basis of accounting. On the modified accrual basis of accounting revenues are recorded when earned and measurable and available to pay current financial obligations, while expenditures are recorded when incurred and payable from current financial resources. The City defines revenue availability as collected within 60 days of period end.

The reconciliation of the governmental funds financial statements to the governmental activities presentation in the government-wide financial statements is the result of the use of the accrual basis of accounting and economic resources measurement focus at the government-wide level.

The General Fund, and the 2011 Sales Tax Revenue Note Fund are considered major funds and are therefore displayed in separate columns. All other governmental funds are considered non-major funds and are aggregated under the column Other Governmental Funds. The fund balances, reported on the modified accrual basis for these aggregated non-major funds changed as follows for the year ended June 30, 2013.

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

Proprietary Funds:

The City's proprietary funds include:

Enterprise Funds

- El Reno Municipal Trust Authority Fund that accounts for the activities of the public trust in providing water, sewer, and sanitation services to the public.
- City of El Reno Hospital Authority Fund that accounts for the activities of the public trust which operates the hospital that serves the citizens of El Reno and the surrounding communities.
- El Reno Airpark Authority Fund that operates the local non-commercial airport activities.
- El Reno Recreation Authority that was established to construct and operate the municipal golf course.

Internal Service Funds (combined for reporting purposes)

- Self-Insurance Workers' Comp
- Self-Insurance Health

For purposes of the statement of revenues, expenses and changes in net position, operating revenues and expenses are considered those whose cash flows are related to operating activities, while revenues and expenses related to financing, capital and investing activities are reported as non-operating or transfers and contributions.

Fiduciary Fund

The City's fiduciary fund is used to report net position and changes therein of assets held by the City in a trustee or fiduciary capacity. These funds are not available for operations of the City. The City reports one type of fiduciary fund:

- Pension Trust Fund – used to account for the net position and changes therein of the El Reno Employee Retirement System (Reassure America Life Insurance Company).

New Accounting Pronouncements

The City implemented the following accounting standards during fiscal year ended June 30, 2013:

- *Governmental Accounting Standards Board Statement No. 60 – Accounting and Financial Reporting for Service Concession Arrangements* – This had no impact on the city's financial report.
- *Governmental Accounting Standards Board Statement No. 61 – The Financial Reporting Entity: Omnibus*– This had no impact on the city's financial report.
- *Governmental Accounting Standards Board Statement No. 62 – Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements* – A few sentences were removed from "Section B – Proprietary Funds" note disclosure to eliminate references to FASB pronouncements and APB opinions issued on or before November 30, 1989.
- *Governmental Accounting Standards Board Statement No. 63 – Financial Reporting of Deferred*

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

- *Outflows of Resources, Deferred Inflows of Resources, and Net Position* – The only change required from the implementation of this statement are changing the Statement of Net Assets to a Statement of Net Position by creating two new financial statement elements.
- *Governmental Accounting Standards Board Statement No. 65 – Items Previously Reported as Assets and Liabilities* – This was early implemented, and required the reporting of deferred inflows and deferred outflows.

3. Cash, Cash Equivalents, and Investments

For the purpose of the statements of net position, balance sheets, and statement of cash flows, cash and cash equivalents includes all demand and savings accounts, certificates of deposit or short-term investments with an original maturity of three-months or less. Trust account investments in open-ended mutual fund shares are also considered cash equivalents for reporting purposes.

At June 30, 2013, the reporting entity held the following deposits and investments:

Primary Government:

Type	Maturities	Credit Rating	Carrying Value

Custodial Credit Risk – Exposure to custodial credit risk related to deposits exists when the City holds deposits that are uninsured and uncollateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the City's name; or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the City holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the City's name.

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

The City's policy as it relates to custodial credit risk is to secure its uninsured deposits with collateral, valued at no more than market value, at least at a level of 110% of the uninsured deposits and accrued interest thereon. At June 30, 2013, the City was not exposed to custodial credit risk as defined above.

Investment Interest Rate Risk – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Investment Credit Risk - The City is currently working with the City Attorney to revise the investment policy for adaptation during the new re-codification. The City has limited its investment choices to state law as follows:

- a. Direct obligations of the U. S. Government, its agencies and instrumentalities to which the full faith and credit of the U. S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposit or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations.
- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs a., b., c., and d.

Concentration of Investment Credit Risk – Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the City (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration. The City places no limit on the amount it may invest in any one issuer. The City has the following concentration of credit risk: 88% (or \$2,128,206) invested in Federated Treasury Obligations money market accounts at Bancfirst.

Sales Tax Pledge - The City has pledged two and ½ cents (or 63%) of future sales tax revenues to repay \$30,247,800 of Series 2005, 2008, 2009, 2010, and 2011 Sales Tax Revenue Bonds. Proceeds from the bonds provided financing for utility capital assets. The bonds are payable through 2020, 2029, 2029, 2025, and 2027 respectively. The total principal and interest payable for the remainder of the life of these notes is \$40,427,878. Total pledged sales taxes received in the current fiscal year were \$5,835,042. Debt service payments for the current fiscal year of \$3,770,170 were 65.2% of the pledged sales taxes.

Hotel/Motel Tax Pledge - The City has pledged 60% of the amount of money generated pursuant to the hotel/motel tax ordinance (Ordinance 5024) to repay \$305,000 of Series 2011 Hotel/Motel Tax Revenue Bond. Proceeds from the bond provided financing for economic development and tourism capital projects. The bond is payable through 2021. The total principal and interest payable for the remainder of the life of this note is \$258,444. Total pledged hotel/motel taxes received in the current fiscal year was \$166,731. Debt service payments for the current fiscal year of \$37,101 were 22.3% of the pledged sales taxes.

Utility Net Revenues Pledge - The City has also pledged future water and sewer net revenues to repay \$7,114,668 of 2000, 2002A, 2002C, 2003A, 2008, 2009 and 2010 Series Oklahoma Water Resources Board Notes Payable and \$760,000 of the 2008 MA Utility System Revenue Note. Proceeds from the bonds and notes provided financing for utility system capital assets. The bonds are payable through 2020, 2021, 2022, 2023, 2028, 2014 and 2030. The total principal and interest payable for the remainder of the life of these notes is \$5,342,167. The notes are payable from the above-mentioned utility net revenues. The debt service payments on the notes this year were \$444,827 which was 25% of pledged net utility revenues of \$1,288,515.

8. Net Position and Fund Balances

Fund Statements:

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned and unassigned. These classifications are defined as:

- a. Nonspendable – includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.
- b. Restricted – consists of fund balance with constraints placed on the use of resources either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or (2) laws through constitutional provisions or enabling legislation.
- c. Committed – includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the city's highest level of decision-making authority. The City's highest level of decision-making authority is made by ordinance.
- d. Assigned – includes amounts that are constrained by the city's intent to be used for specific purposes but are neither restricted nor committed. Assignments of fund balance may be made by city council action or management decision when the city council has delegated that authority. Assignments for transfers and interest income for governmental funds are made through the budgetary process.
- e. Unassigned – represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the general fund.

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

It is the City's policy to first use restricted fund balance prior to the use of the unrestricted fund balance when an expense is incurred for purposes for which both restricted and unrestricted fund balance are available. The City's policy for the use of unrestricted fund balance amounts require that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used. The only exception to this policy is for assigned interest income in governmental funds other than the General Fund. In those funds, interest income is used first before other revenues.

The following tables show the fund balance classifications as shown on the Governmental Funds Balance Sheet:

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

Equity is classified as net position and displayed in three components:

- f. *Net investment in capital assets* - Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets.
- g. *Net investment in capital assets (Government Wide Financial Statements Total Column)* - The 2008, 2009, and 2010 sales tax and utility revenue bonds and the 2011 Hotel/Motel Tax Revenue Note series were used to fund governmental capital assets. The “net investment in capital assets” in the business-type activities therefore does not include the amounts related to these debt issues as the assets are in the governmental activities. This explains the large negative balance of unrestricted net position in the business-type activities. The capital assets related to this debt are reported in the governmental activities and are also reported in “net investment in capital assets.” The total column for the “net investment in capital assets” on the *Statement of Net Position* does include the amounts related to this debt of \$24,535,750, therefore explaining why this amount does not total across.
- h. *Restricted net position* - Consists of net position with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments, or 2) law through constitutional provisions or enabling legislation.

9. Internal and Interfund Balances and Transfers

The City's policy is to eliminate interfund transfers and balances in the statements of activities and net position to avoid the grossing up of balances. Only the residual balances transferred between governmental and business-type activities are reported as internal transfers and internal balances and then offset in the total column in the government-wide statements. Interfund transfers and balances between funds are not eliminated in the fund financial statements.

Transfers:

Internal transfers between funds and activities for the year ended June 30, 2013 were as follows:

10. Sales Tax

Sales tax revenue represents a 4 cents tax on each dollar of taxable sales of which is recorded as follows:

- 2 cents is recorded in the General Fund. ½ cent of the 2 cents is pledged for El Reno Recreational Authority debt service on golf course capital debt and ½ cent is pledged for the 2005 Series Sales Tax Bonds.
- 1.5 cents is recorded in the General fund and then transferred to the El Reno Municipal Authority for debt service per debt agreement.
- .25 cents is recorded in the Sales Tax ¼ Cent Fund to be transferred to the El Reno Recreation Authority for debt service on golf course capital debt.
- .25 cents is recorded in the Safety Sales Tax ¼ Cent Fund to pay for costs pertaining to the provision of emergency services.

11. Insurance Recovery

During the fiscal year ended June 30, 2013 several city assets were damaged as a result of a hail storm. Insurance recovery proceeds of \$913,908 are recorded in miscellaneous revenue in the governmental activities.

12. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employee health and life; and natural disasters. The City manages these various risks of loss as follows:

- General Liability and Physical Property – Covered through participation in Oklahoma Municipal Assurance Group risk entity pool
- Workers' Compensation – Self-insured within limits of Oklahoma worker's compensation laws. 100% risk of loss retained.
- Employee's Group Medical –Covered through participation in Coventry.

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

The City's risk is transferred to the risk entity pool except for claim deductible amounts. The risk pool maintains deposits for claims reserves and other purposes for the benefit of the City. The portion of the reserves to which the City has access is reported as Deposits with Insurance Pool. Management believes the insurance coverage listed above is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

For the internal service self-insurance funds, changes in the worker's comp claims liability for the City from July 1, 2010, to June 30, 2013, are as follows:

	<u>Workers'</u> <u>Compensation</u>	<u>Health</u> <u>Care</u>	<u>Total</u>

13. Commitments and Contingencies

Litigation:

The City is currently involved in a lawsuit, related to the City Council's denial of a Conditional Use Permit (CUP). The probability of a favorable outcome is at least reasonably possible. The dollar amount of and adverse outcome (if any) in this issue is undeterminable at this time, and no provision for a loss contingency has been recognized in the financial statements. Any judgment in this case against the City would not be covered by liability insurance and would be paid out of the budget or by placing the judgment on the judgment roles and paying out over three years.

The City of El Reno Hospital Authority is currently involved in a lawsuit regarding an accident involving one of their ambulances. The City's insurance coverage through Oklahoma Municipal Assurance Group will not cover this claim but Cimarron Insurance Exchange has acknowledged that this was a covered claim. There is a \$25,000 per occurrence deductible which has not been met yet, however it is still undetermined if the Hospital Authority will be responsible for the deductible. A favorable outcome is now determined probable and the liability recorded in the previous year has been removed as of June 30, 2013.

CITY OF EL RENO, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2013

The City of El Reno Hospital Authority is currently involved in a breach of contract lawsuit on a Physicians agreement. The judge found that the contract was breached, and the Authority paid this claim in the amount of \$100,000 shortly after year-end when an agreement was met in mediation. This amount has been accrued as a claims payable at the end of the fiscal year.

Sales Tax:

The City has been notified by the Oklahoma Tax Commission of a potential sales tax refund filed by a vendor, which may require the City to return a portion of sales tax revenue previously remitted to the City by the Tax Commission. The amount of the potential refund request is \$974,901. The Tax Commission is currently scrutinizing the paperwork filed for this type of transaction, and no decision has been made by the Tax Commission to either approve or deny the refund request, with no probability of the approval or denial given.

Federal and State Award Programs:

The City of El Reno participates in various federal or state grant/loan programs from year to year. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

Construction Commitments:

At June 30, 2013 the City had awarded construction contracts totaling approximately \$2,709,737 and of this amount, \$976,071 was still outstanding and payable.

14. Pension Plan Participation

The City of El Reno participates in three pension or retirement plans:

- Oklahoma Firefighter's Pension and Retirement System (OFPRS) – a statewide cost-sharing plan
- Oklahoma Police Pension and Retirement System (OPPRS) – a statewide cost-sharing plan
- Oklahoma Municipal Retirement Fund – an agent multiple-employer defined benefit plan

Firefighters' Plan:

Pursuant to the requirements of Title 11, section 49-102, the City of El Reno participates in the statewide cost-sharing multi-employer defined benefit plan administered by the Oklahoma Firefighters Pension Board on behalf of both paid and volunteer firefighters. The paid firefighter contributes 8% to the plan. The City is required by state law to contribute 13% per year per paid firefighter to the statewide plan. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. The contribution requirements of the plan member and the city are established by state statute and may be amended by the legislature. The state made on-behalf contributions to the Fire pension plan of \$422,572.

A copy of the Firefighters Statewide Pension Plan financial statements can be obtained from the Oklahoma Firefighters Pension System, 4545 Lincoln Blvd. Suite 263, Oklahoma City, OK, 73105-3707.

Police Plan:

Pursuant to the requirements of Title 11, section 50-102, the City of El Reno participates in the statewide cost-sharing multi-employer defined benefit plan administered by the Oklahoma Police Pension and Retirement System (OPPRS). The paid police person contributes 8% to the plan. The City is required by state law to contribute 13% per year per paid police person to the statewide plan. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. The contribution requirements of the plan member and the city are established by state statute and may be amended by the legislature. The state made on-behalf contributions to the Police pension plan of \$166,657.

The OPPRS issues a publicly available report that includes financial statements, which can be obtained from the Oklahoma Police Pension and Retirement System, 1001 N.W. 63rd Street, Oklahoma City, OK, 73116-7335.

Employee Plan:

The City provides a pension benefit for all of its full-time employees with the exception of the police and fire departments, through the Oklahoma Municipal Retirement Fund (OMRF).

1. Plan Description

Effective January 1, 1967, the City began contributing to the City of El Reno Plan and Trust in the form of a guaranteed annuity contract with Reassure America Life Insurance Company. The group annuity contract purchased under the plan is fully funded. On February 1, 2005, the City began participating in the agent multiple-employer plan—Oklahoma Municipal Retirement Fund (OMRF). Under the terms of the new retirement system with OMRF, the benefits payable from Reassure America Life for existing employees will be a portion of the total benefits calculated under the OMRF plan. When all employees previously participating in Reassure America Life have retired, all benefit payments will be paid by OMRF. At June 30, 2013, the Reassure America Life plan had total reserves of \$421,571 and a fund balance of \$324,065.

Footnotes to Budgetary Comparison Schedules:

1. The budgetary comparison schedule is reported on a non-GAAP budgetary basis that report revenues and expenditures on a modified cash basis. For budgetary purposes expenditures are recorded in the period the invoice is received, except for payroll expenditures that are recorded when paid.
2. The legal level of appropriation control is the department level within a fund. Transfers of appropriation within a fund require the approval of the City Manager. All supplemental appropriations require the approval of the City Council. Supplemental appropriations must be filed with the Office of the State Auditor and Inspector.

Footnotes to Schedule of Expenditures of Federal and State Awards:

1. The Schedule of Expenditures of Federal and State Awards is prepared on an accrual basis of accounting. The expenditures are recorded when the liability is incurred regardless of when the award proceeds are received.
2. The City has not been notified of any noncompliance with federal and state award requirements. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

INTERNAL CONTROL AND COMPLIANCE INFORMATION

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT
AUDITING STANDARDS**

To the Honorable Mayor and City Council
City of El Reno, Oklahoma,

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of El Reno, Oklahoma, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise City of El Reno, Oklahoma's basic financial statements, and have issued our report thereon dated February 14, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered City of El Reno, Oklahoma's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of City of El Reno, Oklahoma's internal control. Accordingly, we do not express an opinion on the effectiveness of City of El Reno, Oklahoma's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of El Reno, Oklahoma's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
